

Francis Joseph

Francis Joseph has more than 25 years of Management experience in School Education; in areas that include school operations, strategy planning, human resource, technology, and organizational development. He has extensively worked in establishing and managing schools for one of India's Largest Chain of Private Schools as its COO in India & Middle East (till year 2011), from where he started as a Teacher in year 1993. He was instrumental in developing many technological initiatives & revolutionary practices in Schools, both in India and abroad.

Francis Joseph has established & operated several prestigious schools in India and Middle East; pursuing curricula of Indian and International Boards. He was selected as an emerging edupreneur in India (year 2013) for an incubator programme conducted by the Pearson Affordable Learning Fund (U.K.) for his efforts in affordable education in smaller towns and villages. Francis is the co-founder of SLN School Leaders Network Foundation, a non-profit company working for the development of Private & Public schools in the Country, Crimson Education and SLN Global Network.

He is the coordinator of the State International Curriculum Advisory Committee established by the School Education Department, Government of Maharashtra. He works closely with policy makers in Maharashtra and various education boards.
